

# ETTP Railroad Kudzu

- Encroachment by kudzu on the railroad spur serving ETTP has been a longstanding problem.

All photos by Harry Quarles

# ETTP Railroad Kudzu

- Spraying just the railroad track area . . .

. . .did not address  
the greater problem.

# ETTP Railroad Kudzu

- So kudzu growing on trees was also sprayed.

# ETTP Railroad Kudzu

- Results were obvious after a little more than two weeks.

## ETTP Railroad Kudzu

- This high-volume application of a low rate of Tordon 101 herbicide will be followed up with spot treatments in subsequent seasons.
