**MEMORANDUM**

**SUBJECT:** OSWER Honor Awards

**FROM:**  James E. Woolford, Director   
Office of Superfund Remediation and Technology Innovation

**TO:** Wilson McGinn  
Department of Energy, Oak Ridge National Lab

Congratulations! You have been selected to receive a Bronze Medal in recognition of your significant improvements to the risk-based concentration screening tables. This new table, which is available on the internet, provides environmental professionals and the public with a "state-of-the-art" resource for evaluating environmental contamination. On behalf of the entire Office of Superfund Remediation and Technology Innovation, I take great pleasure in congratulating you on winning this award.

Your award will be presented at the OSWER awards ceremony to be held on Thursday, June 11, 2009, from 1:00-3:00 p.m. at the Hyatt Regency Hotel here at Potomac Yard. The address is 2799 Jefferson Davis Highway Arlington, VA. A reception will follow immediately after the ceremony.
